Singapore Tour Package from Mumbai

Singapore small island city-state located in Southeast Asia, known for its clean and modern infrastructure, bustling economy and diverse culture. With population of over 5.7 million people, Singapore is one of most densely populated countries in world. Its official languages are English, Malay, Mandarin and Tamil.

Singapore is hub for international trade, finance and is home to many multinational corporations. The country is also popular tourist destination known for its attractions such as Marina Bay Sands, Gardens by the Bay, Sentosa Island, Merlion Park, Night Safari, Jurong Bird Park and Universal Studios. Singapore is famous for its food as well, which is influenced by variety of cultures including Chinese, Indian and Malay.

Singapore is a highly developed country with high standard of living and strong emphasis on education. The country has a well-developed public transportation system including modern subway system called MRT. It is also known for its strict laws, which include harsh penalties for crimes such as drug trafficking and vandalism.

Singapore has tropical rainforest climate, with high temperatures and humidity levels throughout the year.
